Tina O'Keefe is the Regional Risk Manager for MGM Resorts International Mississippi Operations. Tina is a seasoned Risk Manager who has been intimately involved in the insurance industry. She has trained in multiple areas of insurance; this experience spans several different areas of the industry, which includes; workers comp, general liability, property damage, and ADA Compliance.

Tina has over 21 years in the insurance industry. Her career began in insurance with State Farm, as a customer service representative attaining her licensing as an agent. At the conclusion of the time there, she then joined Crawford & Company holding licensing for both New York, and Florida claims. After being trained extensively in general liability and property damage claims, she moved to the Gold Strike Casino as Risk Manager in 2002. She manages the day to day activities of the claims operations, which includes administrating and auditing of workers comp compensation claims, monitoring the claims loss statistics, litigation and the compliance of ADA regulations.

There she is actively involved in continuing educational courses with the company managerial training. She is also the representative at Gold Strike for their Community Affairs Dept. It was during this time at Gold Strike Casino that she was promoted to her current position as Regional Risk Manager for Mississippi Operations, which includes added responsibilities and oversight for both properties at Gold Strike Casino and Beau Rivage Resorts, Inc.
